

Steps for Unique ID Generation.

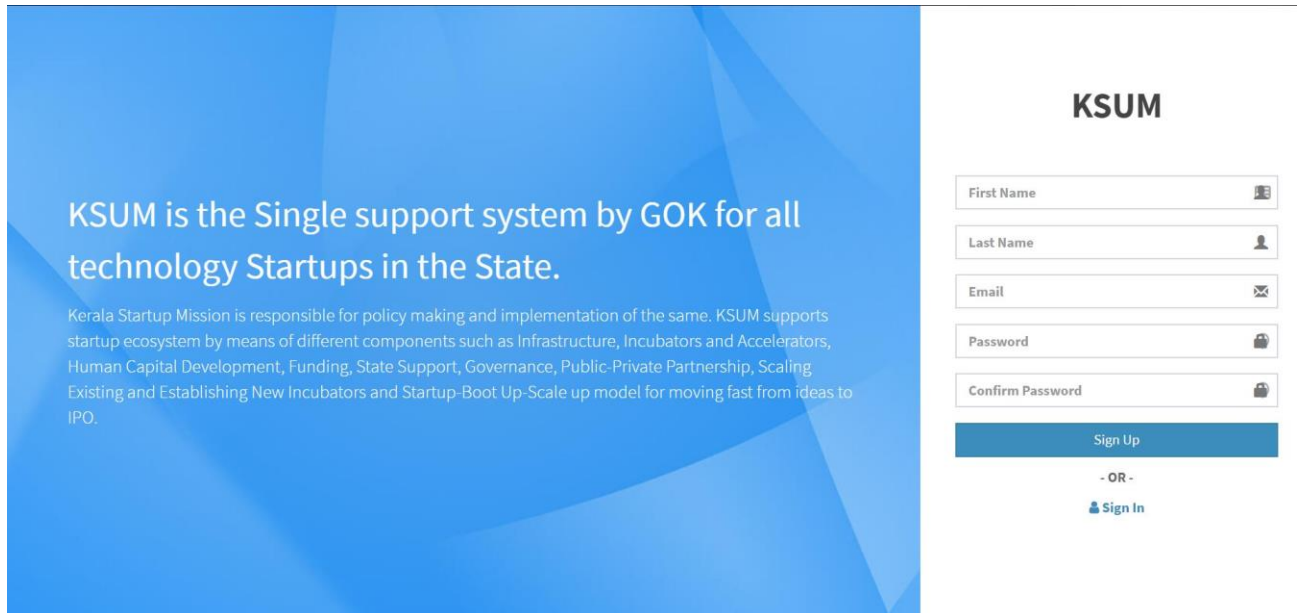

1, Go to <http://startups.startupmission.in>. and click on 'GET YOUR UNIQUE ID HERE' button.

2. Click on Accept button.

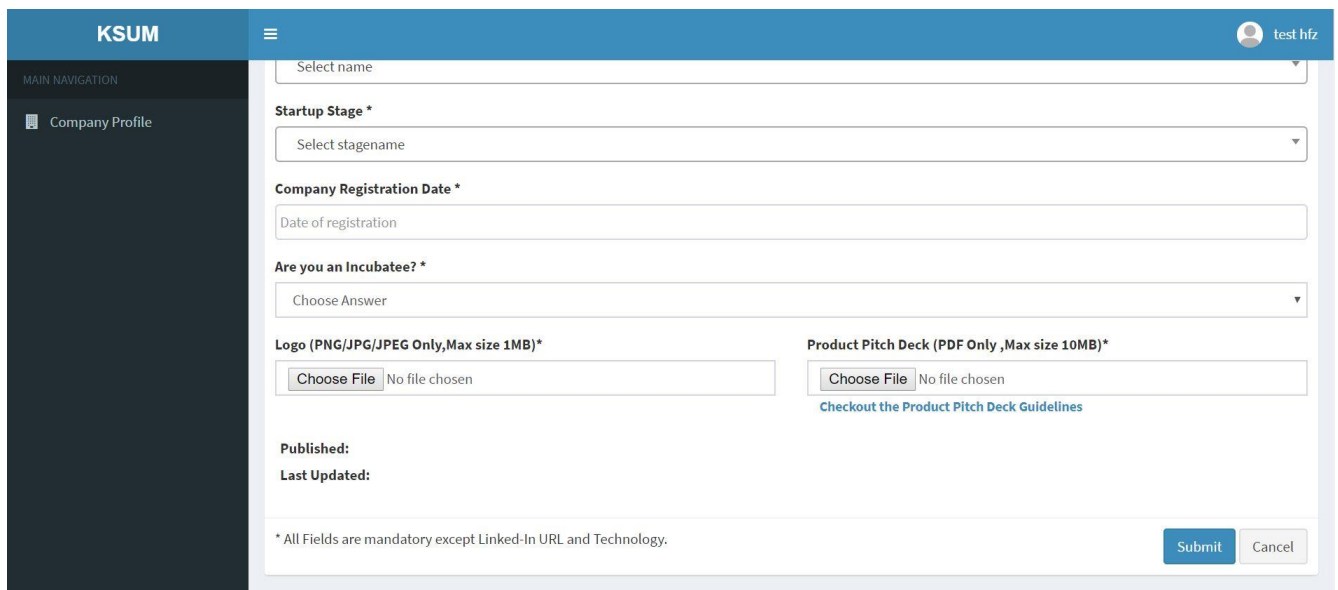

3. Sign up by entering data. Please note that Sign up using new credentials is mandatory here. Credentials used on <https://startupmission.kerala.gov.in/> is not valid here.

The image shows a sign-up form for KSUM. On the left, there is a blue banner with the text: "KSUM is the Single support system by GOK for all technology Startups in the State." Below this, it states: "Kerala Startup Mission is responsible for policy making and implementation of the same. KSUM supports startup ecosystem by means of different components such as Infrastructure, Incubators and Accelerators, Human Capital Development, Funding, State Support, Governance, Public-Private Partnership, Scaling Existing and Establishing New Incubators and Startup-Boot Up-Scale up model for moving fast from ideas to IPO." On the right, the form is titled "KSUM" and contains the following fields: "First Name", "Last Name", "Email", "Password", and "Confirm Password". Each field has a small icon to its right. Below the fields is a "Sign Up" button. Underneath the button is the text "- OR -" and a "Sign In" button with a user icon.

4. Register by entering the required data.

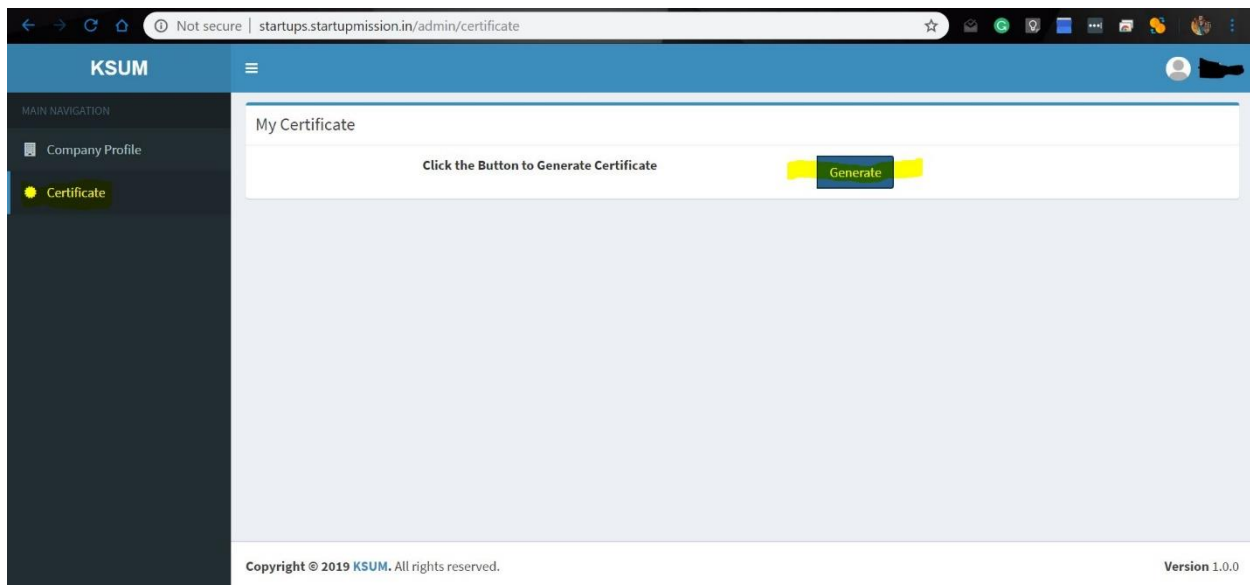

The image shows a registration form for KSUM. The form is titled "KSUM" and has a user profile icon labeled "test hfz" in the top right corner. The form is divided into several sections: "Select name" (dropdown), "Startup Stage *" (dropdown with "Select stagename" option), "Company Registration Date *" (text input with "Date of registration" placeholder), "Are you an Incubatee? *" (dropdown with "Choose Answer" option), "Logo (PNG/JPG/JPEG Only,Max size 1MB)*" (file upload with "Choose File" button and "No file chosen" text), and "Product Pitch Deck (PDF Only ,Max size 10MB)*" (file upload with "Choose File" button, "No file chosen" text, and a link "Checkout the Product Pitch Deck Guidelines"). Below these sections are labels for "Published:" and "Last Updated:". At the bottom, there is a note: "* All Fields are mandatory except Linked-In URL and Technology." and two buttons: "Submit" and "Cancel".

If the submit button is not working, there may be a data validation error. Make sure that all data is given correctly. Only, PDF format is allowed for '**Company Registration Certificate**', '**DIPP Certificate**', and '**Pitch Deck**' with a maximum size of 10MB and 'Logo' should be **PNG/JPG/JPEG** format with a maximum size of 1MB.

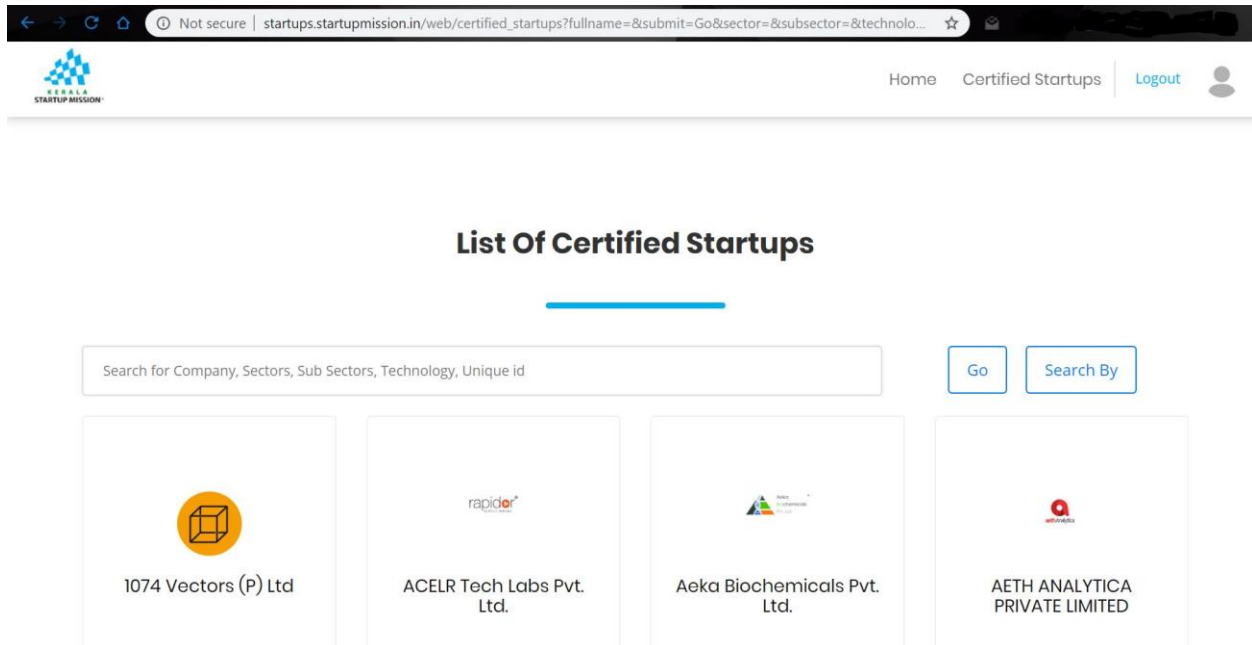

After registration is successful and application might be approved instantly and might take a maximum of three days for the approval by KSUM. Once the application is approved, companies will be notified through the email used for registration.

5. Companies should generate a certificate from their profile page to complete the registration process. The certificate can be generated by logging in with the credentials used for registration and click on the second tab 'certificate' on the left-hand side of the webpage.

Congratulations!! your unique id is generated and you have successfully generated the certificate.

6. Once the certificate is generated, Companies should visit http://startups.startupmission.in/web/certified_startups and search with their 'company' name to check whether the company is listed here.

The screenshot shows the Kerala Startup Mission website. The header includes the logo and navigation links for Home, Certified Startups, and Logout. The main heading is "List Of Certified Startups". Below this is a search bar with the placeholder text "Search for Company, Sectors, Sub Sectors, Technology, Unique id" and two buttons: "Go" and "Search By". The search results are displayed in a grid of four cards, each featuring a company logo and name:

- 1074 Vectors (P) Ltd
- ACELR Tech Labs Pvt. Ltd.
- Aeka Biochemicals Pvt. Ltd.
- AETH ANALYTICA PRIVATE LIMITED
